

Inference Map: Author's Purpose

Text Detail:	Text Detail:	Text Detail:

--

The diagram illustrates the relationship between specific text details and the overall author's purpose. It features three columns of 'Text Detail' boxes at the top, each with a large empty space below the header. Below these is a single, larger empty box. Three thick, black, double-headed vertical arrows connect the bottom of each 'Text Detail' box to the top of the larger box, indicating a bidirectional relationship between the specific details and the overall purpose.
